BOOM!

written by:

Connor Wray

10 SECOND TIMER COUNTING DOWN

PRODUCER TITLES APPEAR UNTIL: TIMER ENDS & TITLE CARD - BOOM!

(ALT. 1) HOLD ON BLACK SCREEN FOR OPENING LINE.

(ALT. 2) JUMP RIGHT IN FULL SCENE.

INT. HARDWARE STORE - DAY.

KEVIN
(checking a list periodically)
I need 50 pounds of gunpowder, a medium sized bucket or barrel, some ping pong balls, gasoline, a funnel, a long neck lighter, and just like...a shit ton of sparklers.

STORE CLERK
What?

KEVIN
(looking around)
Do you not have any of that here?

STORE CLERK
We do.

KEVIN
Awesome. Where?

STORE CLERK
Um, sir, I'm required to ask what you need 50 pounds of gunpowder and everything else for.

KEVIN
I gotta make a really big explosion for a movie.

Beat.

STORE CLERK
Is 50 pounds gonna be enough?

KEVIN
For our budget, it'll have to be.

STORE CLERK
Check isle 9.

WRITTEN WORK OF CONNOR WRAY

KEVIN
You're doing God's work.

KEVIN grabs a shopping cart and walks off through the store.

"Bing! Bang! Boom!" - Lu Ann Simms plays as we follow:

CAMERA IN SHOPPING CART BEING LEAD BY KEVIN - WE SEE THE GROCERIES BEING LOADED INTO THE CART.

KEVIN DROPS IN A LARGE BAG OF CANDY AS WELL.

KEVIN CHECKS EVERYTHING OUT AT THE REGISTER, DROPS THE CART OFF, AND LEAVES.

EXT. WENDY'S HOUSE - DAY

Kevin knocks on WENDY's door - she opens.

KEVIN
Got everything. You ready to go?

Wendy smiles - song crescendos and ends.

EXT. PARKING LOT - DAY

All of the items purchased are laid out individually in the parking lot.

WENDY
Do you know how to put these together to make a bomb?

KEVIN
We're not making a bomb.

WENDY
No, but like a fake bomb. A movie bomb.

KEVIN
Well I didn't look it up, I don't want to be put on a watchlist.

WENDY
Well shit. What do we do?

KEVIN
We just...throw this shit in a bucket and light it.

WRITTEN WORK OF CONOR WRAY

WENDY
(optimistically)
Oh.

KEVIN
You like that idea?

WENDY
No, I think it would kill us.

KEVIN
Oh, yeah, probably.

WENDY
Who knows about blowing stuff up safely?

KEVIN
Safely? No one I can think of.

WENDY
Then who would know about blowing stuff up in general?

INT. LIBRARY - DAY

Wendy is standing in front of a librarian.

WENDY
Which section would the Unabomber Manifesto be in?

Beat.

CUT TO WENDY SITTING IN THE LIBRARY WITH KEVIN - WENDY IS READING THE UNABOMBER MANIFESTO WHILE KEVIN READS EROTICA.

WENDY
This...is not helpful at all.

EXT. PARKING LOT - DAY

Wendy and Kevin are back to staring at the array of miscellaneous combustable items.

KEVIN
Ok, so we're back at square one.

WENDY
Yeah.

WRITTEN WORK OF CONNOR WRAY

KEVIN
I'm still not fully convinced that throwing everything in the bucket and lighting it wouldn't work.

WENDY
It wouldn't.

KEVIN
What if we poke a little hole in a ping pong ball, fill it with the powder, and light it? We film it really close up so it looks like a big explosion.

WENDY
Maybe. Do we have like pins or a pen to poke holes in the ping pong balls?

KEVIN
I don't.

WENDY
I don't think I do either.

KEVIN
Wait!

INT. APARTMENT - DAY

Kevin and Wendy are sitting on a couch in front of the TV watching an episode of Mythbusters. Kevin is taking notes.

KEVIN
This is actually giving me really good ideas.

WENDY
Yeah?

KEVIN
Yeah. We should've just watched these guys from the beginning, this is great.

WENDY
Don't they have a PSA in every episode where they say "don't do this at home"?

WRITTEN WORK OF CONNOR WRAY

KEVIN
I don't think so.

TV
"And remember, don't try anything you see at home. We're what you call professionals."

Kevin turns off the TV.

KEVIN
You didn't hear any of that, I've got everything we need, let's go!

Kevin rushes out of the room.

WENDY
You're going to make Adam and Jamie mad!

EXT. PARKING LOT - DAY

CLOSE UP ON CAMERA LENS BEING ADJUSTED - WENDY IS SETTING UP A CAMERA ON A TRIPOD.

BACK UP AND TURN TO SEE KEVIN FINISHING A VERY MAKESHIFT EXPLOSIVE.

WENDY
How's it looking?

KEVIN
Absolutely beautiful. How's the camera setup?

WENDY
Setup is fine, I need you to move your fat ass so I can see if the shot is lined up well.

KEVIN
Ok, one sec, and...there. Let's see how it looks.

Kevin and Wendy look through the lens and see a decent shot of the explosive centered in the screen with the background blurred.

WENDY
I like it.

WRITTEN WORK OF CONNOR WRAY

KEVIN
I like it a lot. How are we looking on time?

WENDY
A little less than an hour before sunset.

KEVIN
Then let's do this.

WENDY
Got it. Rolling camera! Rolling sound!

KEVIN
Lighting!

Kevin lights an elaborately placed trail of powder leading toward the makeshift explosive.

WE FOLLOW THE LIT POWDER AS IT WINDS CLOSER TO THE EXPLOSIVE.

Wendy is glued to the camera, anticipating the explosion.

KEVIN
Wendy!

PAN OVER and see Kevin hunkered down behind a very shittily made blast protection wall placed a good ways away from the camera.

KEVIN
(cont'd)
Get over here!

Wendy runs over and hides with Kevin as they wait for the inevitable. Kevin hands Wendy a transparent face shield and puts one on himself.

WENDY
Wait, the camera!

Wendy stands up for a moment before Kevin pulls her back down.

BOOM!!!

A burst of smoke and flame rise up.

WRITTEN WORK OF CONNOR WRAY

EXT. SIDEWALK - DAY

A COP is walking down the street enjoying a milkshake when he sees the plume of smoke.

COP
Son of a bitch.

The cop starts toward the explosion.

EXT. PARKING LOT - DAY

Kevin and Wendy are safe. They both stand and hustle toward the site of the explosion and see the crispy remains of their work.

Wendy checks the footage.

...

KEVIN/WENDY
YES!!!

the END

Credits:

EXT. PARKING LOT - DAY

Kevin and Wendy are celebrating.

The cop starts walking towards them.

COP
What the hell do you two think you're doing?

KEVIN
Fuck!

WENDY
Run!

Kevin picks up the camera and the tripod and starts sprinting away alongside Wendy - the cop in hot pursuit.
